STRESS

1. We're all feeling it....and trying to own it to deal with it.
2. I'm proud of our faculty and staff

Anti-racism and equity

1. Personal and racial identities of teachers impact our students
2. Teachers engaging in personal and professional conversations = an approach and attitude that benefits students
3. No organization is racially unbiased...including Parkway NW
4. As a leader, I am trying to model a willingness to explore my assumptions, bias and backgrounds...no matter where it leads
5. We're doing the work beyond the classroom to build the BEST school possible
